

FFVP for Week of April 25th

Tuesday, 4/26 - Strawberries

What am I? I am bright red, heart-shaped fruit with seeds on the outside and a green cap. I am a tender, sweet fruit packed with vitamin C. I am a member of the Fruit Group. I grow on a plant in a garden, a pot, or on a farm. Every one, no matter the size, has about 200 seeds. I am a Strawberry!

Here's a video too about strawberries:
